Good Afternoon Jennifer,

It was a pleasure speaking with you this afternoon regarding your concerns about PCB contamination in your community.

Consistent with our conversation, please consider examining the following EPA guidance documents & recommendations. As we discussed, this information is frequently confusing so please do not hesitate to contact me directly so that we can offer context & clarifications.

Best Regards...

..patrick wilson

Subject: Malibu High

Dear Dr. Patrick Wilson:

My name is Jennifer deNicola and I am with the Malibu Task Force. I would like to speak to you sometime today regarding the situation at Malibu High School before the meeting I have tomorrow morning.

Please call me at 310-848-5400. Anytime is good.

Thank you,

Jennifer deNicola
